Advance Report No. AP-5
Catalogue No. 92-519

19-6-1962

Rapport anticipé no AP-5
No de catalogue 92-519POPULATIONBy Specified Age Groups

Final population counts of the 1961 Census are presented in this report distributed by specified age groups. Figures are shown for provinces, counties and census divisions, as well as for individual cities, towns, and villages of 10,000 population and over.

More detailed classifications by five-year age groups and sex will be issued at later dates as part of the regular volume series of final reports of the 1961 Census. The purpose of this advance report is to make available summary totals at the earliest possible date.

Age classifications in the census are based on a definition which specifies completed years of age at last birthday, rather than age at nearest birthday. In the 1961 Census, this refers to the person's age at his or her last birthday prior to June 1, 1961.

POPULATIONPar certains groupes d'âge

Le présent rapport donne le chiffre définitif de la population répartie selon certains groupes d'âge, d'après le recensement de 1961. La répartition est donnée pour les provinces, les comtés et les divisions de recensement, ainsi que pour les cités, villes et villages de 10,000 habitants et plus.

Des classements plus détaillés par groupe quinquennal d'âge et selon le sexe paraîtront plus tard dans la série régulière de volumes contenant les résultats définitifs du recensement de 1961. Le présent rapport anticipé a pour but de faire connaître le plus tôt possible les totaux sommaires.

L'âge établi au recensement et utilisé dans les classements est le nombre d'années d'âge révolues au dernier anniversaire plutôt qu'à l'anniversaire le plus rapproché. Au recensement de 1961, il s'agissait de l'âge de la personne à son dernier anniversaire antérieur au 1^{er} juin 1961.
